... framing our social world for diverse thinkers!

Academic Instruction & Tutoring Services- We are Virginia-certified, master's level teachers here at Inside Out Learners, Inc. and have a wealth of knowledge and experience in identifying effective strategies for remediation in reading and math. We have our very own state-credentialed, Reading Specialist on site and take pride in helping children strengthen their confidence in academic performance by tailoring to each individual need. We currently offer one-on-one sessions for academic instruction and/or tutoring.

Social Skills Instruction- At Inside Out Learners, Inc. we use a culmination of curricula, knowledge, and creativity to develop or enhance social skills in a small group setting. We teach with an explicit, cognitive-behavioral approach to help kids of all ages learn what they do not acquire implicitly. Social essentials such as reading body language, using proper voice tone, how to be a friend, theory of mind, self-regulation, flexibility, cooperation, and executive functioning, are just a few of the many concepts we teach in a non-threatening, safe environment.

Other services we provide include:

- Sunday Social Events (for all ages)
- Consultation Services
- Birthday Parties
- Free Monthly Parent Workshops
- Summer Camp Program
- Academic and Social Skills Assessments

Please Note: This program is intended for individuals, ages 5 to 30 years and for those able to remain in a group setting without elopement or aggressive behaviors, verbally communicate their wants/needs, and are fully toilet trained.
